Relevant Experience

Operations Leader Division @ AAAIMX

Jan 2019 - Present // Mérida, MX.

- Co-founder of the first student chapter worldwide endorsed by the "Association for the Advancement of Artificial Intelligence".
- In charge of management and internal administration.
- We provide teaching through AI-related courses, workshops, conferences, and events.

computer systems technician @ Carmesí Services

July 2015 - Present // Mérida, MX.

- On my own I have dedicated myself to repair, assemble and sell computer equipment, focused on design, gaming, office work, among others.
- To gain more publicity, I took on the task of creating a website to showcase my work in my business as I wanted to have more reach and a more professional outlook towards the public.

Front End Development Freelance @ Ignite Store

Sep 2019 - Dec 2019 // Mérida, MX.

- I worked together with a partner to make the layout of the page for "ignite store", a company located in Mérida Yucatán México, which is responsible for assembling and selling computer equipment focused on video games.
